

WINCHESTER CITY COMMISSION WRAP-UP

Information from the Tuesday, March 4, 4:30 p.m. special and 5:30 p.m. regular meetings

Commission hears proposed policy changes for parks

At the Tuesday, March 4, meeting, the Winchester Board of Commissioners approved the first reading of proposed changes to a policy involving conduct in local parks. The policies are part of a joint city-county ordinance.

The first amendment to the policy would establish open hours for parks from 6 a.m. to 10 p.m. from March to November and from 5 a.m. to 7 p.m. from December to February.

The policy also addresses

prohibited behaviors in parks. The first change would prohibit the use of “verbal and non-verbal” profanity in parks. Another change would prohibit the use of tobacco products within 50 feet of any playground, seating area/ shelter, park, building entry or facility entrance.

The policy previously prohibited bringing pets into parks at all. The new policy would allow pets in local parks but require all pets to be leashed. Winchester-Clark

County Parks and Recreation Director Jeff Lewis told the commission it is easier to enforce a leash law and install “pet stations” with waste clean-up products than to enforce a no-pets policy.

The policy also states that operating flying vehicles, including drones, is not allowed in any airspace in or over park property or facilities. Additionally, the policy now prohibits any open fire or flames in parks

except in designated grills and requires all fires in grills to be extinguished before leaving the park.

The final amendment addresses adults in local parks. According to the amendment, any person 18 or older is not permitted within 50 feet of any park, playground or facility intended for exclusive use by minors unless they are accompanied by a minor.

The complete policy also addresses things like alcoholic beverages, gambling, motor vehicles, sales, signage, weapons and noise, but these portions of the ordinance were not amended.

Lewis also presented a list of rules for using parks and recreation's pickle ball courts.

The Winchester Board of Commissioners approved the first reading of the amended policies. It will require a second reading. Lewis said the Clark County Fiscal Court is in the process of reviewing the changes as well.
