Owner's Email: \_\_\_\_\_

The agreement shall serve as an outline of general rules governing the newly established Entertainment Destination Center (EDC) in Downtown Winchester.

The EDC allows alcoholic beverages to leave a licensed establishment and travel throughout the designated boundaries of Downtown Winchester, including other businesses (whether they serve alcoholic beverages or not) and the sidewalks.

The following are the guidelines outlined by the Alcoholic Beverage Control (ABC):

1. Beverages containing alcohol can only be sold by a licensed establishment within the Downtown Winchester EDC district. All rules governing your ABC license remain in full effect, with each establishment responsible for drinks sold, regardless if it is sold inside your licensed premises or carried within the EDC boundaries.
2. Beverages containing alcohol may be carried into any other business within the EDC boundaries, unless prohibited by the business at its sole discretion.
3. The Downtown Winchester EDC boundaries are bordered on the north by the railroad tracks on North Main Street; from the railroad tracks near Depot Street east to North Highland Street; from Depot Street south on North Highland Street to Ogden Court, then west from South Highland Street on Ogden Court to Wall Alley; then North on Wall Alley from Ogden Court to East Washington Street; then East Washington Street from Wall Alley to Main Street; and north on North Main Street to the railroad tracks at Depot Street. The EDC excludes religious establishments, municipal buildings and schools/childcare centers within these limits.
4. No beverages containing alcohol purchased outside the EDC may be brought into the Downtown Winchester EDC.

5. The hours for the Downtown Winchester EDC are 10 a.m. Friday to 1 a.m. Saturday, 11 a.m. Saturday to 1 a.m. Sunday and 11 a.m. to 10 p.m. Sunday. Requests can be made to open the EDC on other days with approval required by the Winchester Board of Commissioners.
6. All beverages containing alcohol leaving an establishment must contain the official Downtown Winchester EDC sticker, which includes the name of the establishment that sold the beverage. Any cup may be used, so long as it is not made of glass.
7. Business owners are responsible for updating their staff on all ABC rules governing the EDC.
8. Anyone in violation of the above regulations will be subject to exclusion from the EDC.

*Additionally, all participants must add the City of Winchester as an additional insured on your liquor policy.*

Please sign below indicating your desire to be included in the EDC.

I have reviewed the above regulations and agree these conditions. I \_\_\_\_\_ agree to all state and local laws as a participating member of the Entertainment Destination Center in Downtown Winchester.

If a participant no longer wishes to participate in the Entertainment Destination Center, it is the responsibility of the business to notify the City of Winchester.
