**Facts Constituting the Offense:** This property has violations on it ranging back to 2011. The City has been maintaining this property since 2013 on a regular basis. There has been no response to letters, violation notices or citations over the years. This property was before the Administrative Hearing Board on September 20, 2022, with proper notification given through mail to the last known address as listed with the PVA Office and by a Police Officer posting the notification on the property, and no one responded to the Citation to appear. There was never an attempt by anyone else to maintain these premises.

The Administrative Hearing Board, in its capacity as a Vacant Property Review Commission, has found:

1. The property is blighted as defined by KRS 99.705.
2. The parcel is vacant in a predominantly built-up neighborhood, which by reason of neglect or lack of maintenance has become a place for the accumulation of trash and debris and a haven for vermin.
3. The parcel has required continuing maintenance by the city for a prolonged period of time and will continue to require maintenance in the future. Encumbrance liens upon the property are delinquent.
4. The parcel has been tax delinquent for a period of more than three years and has not been rehabilitated within the time constraints placed upon the owner by the appropriate code enforcement agency.
